

Experiment with Light, based on George Fox

*Experiment with Light meditation by Klaus Huber, August 2000
using edited passages from George Fox's writings*

1. Keep within. For the measure is within, and the light is within, and the pearl is within you.
2. Let the light that shines in everyone of your consciences, search you thoroughly, and it will let you clearly see. As the light opens and exercises your conscience, it will let you see invisible things, which are clearly seen by that which is invisible in you.
3. As the light appeared, all appeared that is out of the light, darkness, death, temptations, the unrighteous, the ungodly; all was manifest and seen in the light.
4. Do not look at the temptations, confusions, corruptions, but at the light that discovers them. For looking down at corruption and distraction, you are swallowed up in it; but looking at the light that discovers them, you will see over them. There is the first step to peace.
5. The light will lead you out of darkness into the light of life, into the way of peace and into the life and power of truth.
6. Living in the truth ye live in the love and unity. In the light walk, and ye will shine.
